**ORDER**

This matter is before the Court on Plaintiffs’ motion for attorneys’ fees, costs, and service awards. (Doc. No. 265.) The Court held a hearing on the fairness of Plaintiffs’ motion on Friday, September 16, 2016 at 10:30 a.m, at which Plaintiffs’ counsel appeared in person and Defendants’ counsel appeared by telephone. All class members received a Court-approved Notice of Class Action Judgment and Motion for Attorneys’ Fees, Costs, and Service Awards, which apprised each class member of his or her respective damages and interest, as well as the impact that the proposed award of attorneys’ fees, costs, and service awards would have on that class member’s recovery, and which permitted class members to file objections. No such objections were filed.

For the reasons stated at the hearing,

**IT IS HEREBY ORDERED** that Plaintiffs’ motion (Doc. No. 265) for attorneys’ fees, costs, and service awards is **GRANTED in the following amounts**, to be deducted from the total judgment amount: attorneys’ fees in the amount of \$1,575,427; non-

taxable costs in the amount of \$30,167.22; and service awards in the amount of \$20,000 to each of the three named Plaintiffs: Mark Boswell, David Lutton, and Vickie Snyder.

**IT IS FURTHER ORDERED** that Plaintiffs shall promptly file a motion to approve a proposed notice to be distributed to the class, which reflects the awards granted above, with an exhibit to be attached to each individual class member's notice that reflects the class member's pro-rata share of the recovery in the form previously provided, but also including the class member's percentage of total damages.
